

Lake Travis ISD Extracurricular Code of Conduct (“ECC”)

POLICY STATEMENT

Participation in Lake Travis ISD Extracurricular Activities is a privilege and not a right. Therefore, the behavior expectations set forth in the Lake Travis ISD **Extracurricular Code of Conduct (“ECC”)** exceed the behavior expectations set forth in the Lake Travis ISD **Student Code of Conduct (“SCC”)**.

Lake Travis Extracurricular Participants must act with PRIDE and DIGNITY at all times. The purpose of this ECC is to establish regulations and procedures to address violations that occur **ON OR OFF SCHOOL GROUNDS THROUGHOUT THE ENTIRE CALENDAR YEAR** in a fair and timely manner. The ECC is designed to discourage inappropriate behaviors, encourage extracurricular students to make choices that ensure their health and safety, and provide appropriate consequences for students who violate the ECC.

GUIDELINES

The Coach/Director has the right to set high standards for and to impose consequences on those students who choose to participate in extracurricular activities.

Each extracurricular activity may have specific conduct expectations in addition to the expectations outlined in the ECC. The expectations in each program will be developed and approved by the Coach/Director and Athletic Director/Fine Arts Director.

Students who choose to participate in extracurricular activities are role models, and exemplary behavior is expected of them **at all times**.

The ECC will be enforced with all students grades 7th – 12th participating in extracurricular activities:

- Regardless of whether school is in session;
- Regardless of whether the student is directly involved with the extracurricular activity at the time the prohibited conduct occurs;
- Regardless of whether the extracurricular activity is in session; and
- Regardless of when/where the conduct occurs.

The ECC does not limit or restrict the authority of the Coach, Director, or school administrator from imposing other consequences in addition to the penalties set forth below (*e.g.*, extra practice and/or conditioning can be added to any consequence imposed). In addition, if the SCC, Constitution, or some other document governing a particular extracurricular activity contains stricter rules, sanctions, or consequences for misbehavior, the document governing the particular extracurricular activity will be followed.

Discipline imposed under the SCC, Constitution, or some other document governing a particular extracurricular activity will not limit or prevent the imposition of additional consequences under

the ECC. Moreover, the modification of discipline imposed under the SCC, Constitution, or some other document governing a particular extracurricular activity or a decision to overturn the discipline imposed under the SCC, Constitution, or some other document governing a particular extracurricular activity shall not affect any consequences imposed under the ECC.

Unless specified otherwise in the ECC, consequences imposed under the ECC may be appealed to the ECC Appeals Committee whose decision shall be final.

ANY EVENT MAY BE SERIOUS ENOUGH TO RESULT IN REMOVAL FROM THE EXTRACURRICULAR PROGRAM WITHIN THE DISCRETION OF THE COACH/DIRECTOR OR ATHLETIC DIRECTOR/FINE ARTS DIRECTOR.

PARTICIPANT RESPONSIBILITIES

Extracurricular participants have the responsibility to:

- Always remember they are representatives of their school, family and community - they must make a constant effort to project a positive, respectful image.
- Always be considerate of those around them and actively avoid situations that may reflect poorly on themselves and/or the Lake Travis ISD.
- Exhibit proper behavior. Failure to do so will result in discipline in accordance with the SCC and ECC.
- Adhere to the specified guidelines and rules of their chosen activities.
- Adhere to the specified guidelines and rules of the SCC.

INVESTIGATION PROCESS

The appropriate Director, Sponsor, Coach and/or Administrator will investigate all reported violations of the ECC. A verified violation will result in the appropriate consequence if there is a preponderance of evidence that the violation occurred. The process of investigation will follow the procedures listed below:

- *Report of Alleged Violation:* The alleged violation is reported to the appropriate director, sponsor, coach, or administrator.
- *Notice:* The appropriate director, sponsor, coach or administrator will inform the student and the student's parents of the allegation.
- *Investigation:* An investigation is conducted and a determination is made whether or not the violation occurred. The student who allegedly committed the violation shall have the opportunity to respond to the violation prior to a determination being made.
- *Decision:* If a violation occurred, the appropriate director, sponsor, coach or administrator will make a decision regarding the appropriate consequence based upon information gathered through the investigation and will notify the student and the student's parents.
